Learn To Sail 2019

Adult/Family Program

Adult/Family Learn to Sail Program

The Armdale Yacht Club (AYC) is pleased to offer its Adult/Family Learn to Sail Program!

This 'family-friendly' program is intended for adults (18+ years of age) and young families (youth 11+ years of age may participate when accompanied by an adult) who want to learn how to sail.

The AYC program is unique in that it offers complete scheduling flexibility. You register and pay for ten (10) lessons – and YOU create your own program schedule. Select one of the “Intro” sessions as your first lesson, and then choose the remaining nine (9) “Open” sessions from any the dates shown on the calendar. Plus, you’re not locked into those dates. The AYC program permits you to change any of the dates you originally selected to any of the other lesson dates within the same year you registered (pending space availability), at any time and for any reason! If you prefer, private lessons are available for an additional fee when you register for a program of ten (10) lessons.

The AYC program uses Solings (27 foot keel boats), as well as smaller dinghies. So you can sail yourself, or in the bigger boats with fellow participants. The program will introduce basic sailing skills and, depending on the interest of participants, more advanced technical skills and also cover racing roles of both skipper and crew. Our focus is sailing “on the water”, as well as theory and on-land activities (knots, rigging, safety, etc.) Participants will enjoy quality instruction by an experienced Sailing Instructor; however, this program will **not** provide certification to the participants.

Lifejacket (DOT approved PFD), soft soled non marking shoes, a notebook and pencil are required.

Customize your program to suit your needs! You create the schedule!

Your first session must be one of the “Intro” sessions noted below, then select nine other session dates.

Lessons run from 6:00 PM to 9:00 PM Weekdays; 1:00 – 4:00 PM on Sundays.

Once the dates below are filled, additional dates will be added. If you are interested but the dates below are not suitable for you, please contact the AYC Office so we can let you know if additional dates become available.
